

Train With The Best

Experienced Elite Expert

Premier Hazmat Training for All Healthcare Professionals

The Advanced Hazmat Life Support (AHLS) Provider Course is the premier, international course that teaches a systematic response for the medical management of patients exposed to hazardous materials, including chemical, biological, radiological, and nuclear agents. The 16 hour, two-day AHLS Provider Course is the most comprehensive training program, teaching the critical skills needed to evaluate and treat victims exposed to chemical spills, toxic terrorism, and other threats.

AHLS is for Interdisciplinary
Healthcare Professionals:

- Paramedics •Physicians •Nurses
- Nurse Practitioners •Physician Assistants
- Pharmacists •Toxicologists
- Respiratory Therapists •Military Personnel

Join the worldwide community of more than 19,500 healthcare professionals from 78 countries and become a verified AHLS Provider, prepared to face the medical challenges of hazmat incidents.
